

What's happening at the BRC

OCTOBER 2018

Biz Books REVIEW

Tuesday, Oct. 16 • 7 pm
Meeting Room H, 2nd Floor

The Culture Code: The Secrets of Highly Successful Groups
by Daniel Coyle

We reviewed *The Talent Code* last year... now, we're exploring a sequel, *The Culture Code: The Secret of Highly Successful Groups*. Author Daniel Coyle shares stories from wildly successful organizations, highlighting key skills that generate cohesion within a group and result in innovation and productivity. From Zappos to a U.S. Navy SEAL team, the stories teach us what culture is, where it comes from and how to build and sustain culture within our own groups.

Vickie Austin, business and career coach, captures the essence of the book, helping you discover ways to transform people and teams through transforming culture. Whether you've read the book or not, you're invited to attend.
