## 1- Free Comic Book Day – Saturday, May 6, 2017

TAG Volunteers – You may come any time between 9:30 and 11am to help. I am hoping at least two people can come by 9:15am, since setup is the most labor-intensive part of the day. Please let me know which shift you would like to volunteer. Shift times below.

**9:15-11am** – Helping set up and hand out comics

**10:30am-12pm** – Help hand out comics and/or help with photo booth

**11:30am-1pm** – Help clean up comics and photo booth, help Mrs. Crowley with another project, if time allows

## 2 - Crayon Drive

SCARCE, a recycling and environmental education organization in Glen Ellyn, collects used crayons that are then donated to schools and remade into “Super Crayons.” See other sheets for more info.

I’d like TAG to hold a Crayon Drive, meaning a crayon collection for people coming into the library. TAG members would be responsible for peeling and sorting the crayons at various times during the summer.

## 3 - Summer Program Ideas

Help me plan the Teen Summer Reading Program and events for middle and high school students this summer.

- Summer Reading
  - o Incentives – which businesses?
  - o Big prizes
- Events
  - o Presenter ideas
  - o Passive program ideas (unmonitored activities in Teenspace)
